All these organisations and institutions acknowledge the added value of the WINNET 8 project and its contribution to the Regional Operational Programme and/or other regional mainstream programmes, the identification of valuable Good Practices - examples and the development of the Regional Action Plans on Winnet 8 result on how to implement the gender perspective.

During the **WINNET 8** project the above mentioned authorities, stakeholders and actors have participated in transfer activities, in view of a possible import into the region of the West Pomeranian Voivodship, related to the Good Practices elaborated in the Action Plan – it means:

1. the Good Practice from Finland- "FEM - Female Entrepreneurs' Meetings in the Baltic Sea Region" in order to increase the quantity and quality of women's participation in the labour market in the West Pomeranian Voivodeship.
2. the Good Practice from the United Kingdom- "Women's Technology Centre & Women Into Technology (WIT)" in order to promote ICT and innovation among women.
3. the Good Practice from Sweden – "Gävleborg Jämt - Achieving an Gender Equal County of Gävleborg" in order to implement a gender perspective into the participating offices' everyday work.

We consider the transferring of the above mentioned **WINNET 8** Good Practices - examples, with necessary adaptation according to regional context, to represent potentially valuable input for economic development in the region of the West Pomeranian Voivodship.

We hereby confirm our support for the transfer and implementation of the above mentioned Good Practices - examples in the Regional Operational Programme or other regional mainstream programmes according to the developed Regional Action Plan.

Szczecin, 30 December 2010.
