

# Study Visit to South Ostrobothnia 26-27 October 2010

Photoalbum by: Kaisa Männikkö

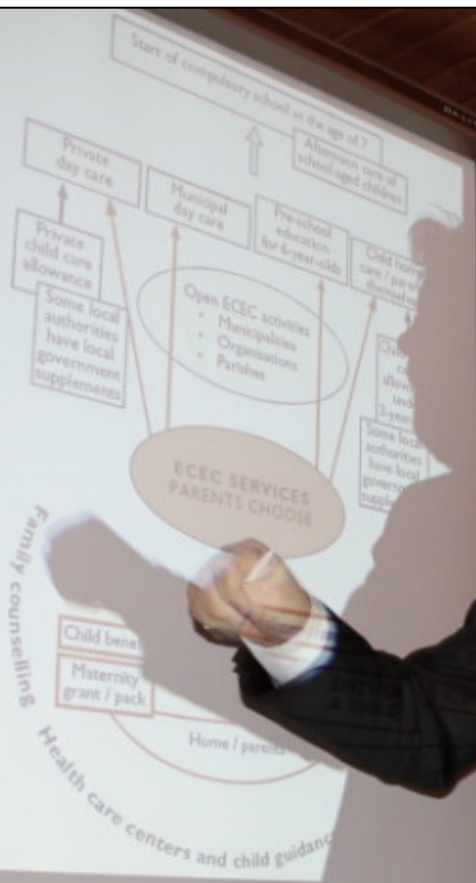

# System I

In the Finnish system, a child and the parents or other guardians are equally provided with equal rights of the child's place of birth (e.g. in cases of foster care and

for the child at home on care and receiving child home care (until the youngest child is three years)  
the child cared for in private care with the private child care  
the child cared for in municipal

How we do!  
Labour market perspective:

- Learning skills
- Finnish language
- Social studies
- Working skills
- Solving everyday problems
- Health information
- Integrating
